“ I have many, many memories of Geri. Such a fun loving lady she was!! I remember great times with her during our high school years. Then we both became mothers of four children!!! We spent time getting all of us together, our children became friends. One of my daughters still talk about the good times shared with the Rebar clan. I know Geri's life was very hard for a long, long time, but she was a fighter. I will always admire her tenacity. She was such a STRONG person. I will always remember her, and I'm happy that I can keep up with her children. Rest in peace, my fear long time friend
