“ I have so many memories of Bernice and of growing up with David. It was like Christmas when she would arrive and I would sit and listen to her and my mother talk as we looked through the new catalog and samples. From little girl lip gloss to my first grown up make-up...to special jewelry purchased for and from family and friends, Bernice was attached to all those memories through Avon and her visits. Garage saling, visiting her home, and her common friendship with the Lang family are some of my favorite recollections. But my family's relationship with Bernice went far beyond her business. She was a frequent guest and welcome friend when my mother was housebound for years and years, and I'm sure many, many other families in the community valued her friendship and have their own special stories as Bernice was part of times in their lives they hold dear. My deepest sympathies go out to all of her children and grandchildren. What wonderful memories she surely has left you with. What a wonderful legacy of a life. Thoughts of the old neighborhood will not be the same knowing she has left us. Bernice was part of the fabric of our community.

“ My family and I have lived next door to the Weddle's for 35 years, We have gotten to know them as friends not just neighbors. My daughters looked up to Bernice like she was their grandmother. We shared many stories,hello's and waves out standing at the fence. Watching each others houses etc. She would always say come on over sometime, I always enjoyed visiting with Bernice. She was a great neighbor and friend I will truely miss her. Love Cindy Keller

“ Mom loved her and we loved her. I loved her laugh and her smile. As a child when we would leave our home in Wichita to drive to KC for a visit I could not wait to be with this family. We always had a great time, and always felt so welcomed. Even as a younger adult going to her home was fun. When extended family would meet at her home for the weekend, she would give her kids empty baking dishes and tell them to bring it back full of something to eat. Larry, Carol, Karen and David the memories are priceless. My love and sympathy to all of you. God Bless, your cousin, Connie.....

“ She was the best Avon lady ever! I truly enjoyed visiting on the phone with her when I called in an order. She was easy to talk to and I enjoyed hearing stories about David!  
I really missed visiting with her when she stopped selling Avon, but I kept up on her through David. She was feisty, full of life, and funny! I was glad to get to know her even if it was through phone calls! My deepest sympathy to her family. I know she loved you all dearly and you were the world to her.
