

Glenda "Gindy" Anderson-Kahler

December 26, 1955 - January 14, 2024

It is with profound sadness that we announce the passing of Glenda "Gindy" Anderson-Kahler (Allen), a cherished and beloved member of our community, on January 14, 2024. Born on December 26, 1955, Glenda touched the lives of many with her kind heart and lively spirit.

Glenda is survived by her loving husband, Don Kahler, who stood by her side supporting and loving her unflinchingly. She leaves behind a legacy in her sons, Chad and Cody Anderson, who will remember and honor her strength and resilience.

Glenda was a beloved sister to Cindy Carley, husband Carroll, with whom she shared many cherished memories. She is fondly remembered by Cindy and will be greatly missed by her. Glenda was predeceased by her dear parents, Barbara and Oliver Allen, and her brother, Oliver Bradley Allen. She faced these losses with grace, and her courage in adversity continues to inspire those who knew her.

Glenda spent a lot of her time volunteering for a non-profit organization called Starfish Project. She was a radiant and vital presence in the lives of those fortunate enough to know her. Her absence will be deeply felt, but her memory will live on in the hearts and minds of her loved ones.

In these moments of loss and sadness, we remember Glenda's life and the

love she shared with her family and friends. May she rest in peace and may her spirit continue to illuminate the lives of those she touched.
