“ *To the members of my Aunt Goldie's extended family: I am sorry to be contacting/meeting you in this fashion. Uncle Richard lived with us until he went into the Marines. I spent 3 days with Goldie and Uncle Richard in Japan in May 1959, when I was enroute my new duty station for the Coast Guard. I also visited them briefly at Westover AFB in Massachusetts. They both came to Rhode Island for my wedding in 1962, and I still have a photo showing them at the reception. Since I was in the USCG, our paths did not cross often, but I have always treasured Goldie's friendship. She was a lovely, warm, friendly woman, and I join you in mourning her passing, while we rejoice in the hope of her reunion with Richard and her siblings.*
