“ John and family,

I am sorry to hear of Goldie's passing. I've lost count of the number of times she treated me like a family member and invited me to stay for lunch or dinner when I was visiting Steve at your home. I remember how positive she was and always had something nice to say to me. Sometimes the worst part of becoming adults and moving on with your lives is losing touch with your friends parents. And she was one of those parents. I'll miss her.
