“ There will never be another like Bud. I met him when I was 9 years old and wanted to play softball. He coached me for over 9 years. And, he mentored me, not just coached me. He had the ability to read people, including children, and mentor them in a way that reached them. He was a surrogate father for me. He will be sorely missed by all.

“ Steve loved Bud, he always said he was like a father to him. Steves dad passed when he was 8. We were so fortunate to run into him a couple of years ago in Caseys Chiropractic Office. He was such a wonderful role model to so many kids. RIP Bud.

“ God Bless your sweet soul Buddy Norton, for being a big part in making my childhood such a happy one. You had such a big impact on so many boys and girls lives. You taught every kid that you coached that hard work wasn't so hard with laughter. You will forever be loved and missed by anyone that was lucky enough to have had you in their life.
