“ I Remember.

I remember one Easter crying about receiving way to many jelly beans and not enough chocolate. Arkie I thought it was great that you bit the bullet and ate them for me. (I still don't like Jelly Beans)

I remember one Halloween you helped me make my witch hat out of paper plates. I couldn't quite understand why we couldn't just go buy one. But Arkie the hat turned out great.

I remember begging to go with you to Independence, I thought your new Mustang was so cool and I wanted to see Kelly and Kris. Huh brother, you took that bend a little to fast on the wet road. Spinning in circles a couple of times taught me to trust only my driving. LOL

I remember on my 9th birthday you took me on a fishing trip. But you didn't get to fish did you.. We were walking thru a wooded area and someone cut down some trees and you said Audrey Sue, do you see these stumps and I said yes. Then you said I want you to watch where you are walking so you don't fall. Well crap the first step I took I stumbled over the stump you pointed at - cut my leg open - and you had to take me to a hospital to get 9 stitches on my 9th birthday.

I remember all the summers you bought me a membership to the Wyandotte Swim Club. My Girlfriends and I received some really great tans those summers.

Arkie my dear brother, I could go on and on with the remembers. I will forever Love You! I will always Remember!

*Love
Audrey*
