“ Shirley, my thoughts and prayers are with you and your wonderful family. Mr. Roberts was a wonderful man and always made me laugh when I came over. I will never forget the first day I came to your home to write your homeowners insurance and he just kept patting himself on the back telling you "he told you so" when the insurance was so much less than what you had been paying. No matter what was happening with him he was always so kind and always had a smile. Just a big teddy bear. I know you will miss him dearly and if there is anything I can do please don't hesitate to call on me. I'm here for you today and always, Dianne Patterson, Farmers Insurance
