“ we always seem to need more time. I only new Bill for a short time but he made a wonderful impression on me because how he loved his grandchildren. I wanted to be around him more then he had time for, but his legacy will be the reflection of his character displayed by his family. Sorry for your loss but we all will be united in Christ one day, may God help us all to overcome his passing.

Diane,

Norval and I are so sorry we have lost Bill. He was a great guy.

We had some good conversations and fellowship. I will be thinking and praying for you. If you need anything or need to talk, we are both good at that.

I am sure we will see him again. He's safe and free from pain now.

We miss you at church.

Love you.
