“ Aunt Helen was always treated me very well. I wore a lot of her nad-me-down clothes, and I remember one very special magenta colored two-piece suite that I wore for several years. She also made by 16th Birthday very special, and it was my first birthday party. She baked a white cake with white icing, but she made all these beautiful roses and leaves from the big gum drops. I also still have an apron she made for all of her nieces when we were about 7 or 8 years old. It's worn in a couple of places, but it has a lot of sentimental value for me. She and Uncle Charlie were always there for me when I was growing up, and will always have a very special place in my heart. God has another special person on his team. God Bless you all. Billie Jo
