“Helen will always hold a special place in my heart...Helen took a lot of stray kids into her home over the years...I was once one of those stray kids...I was introduced to her family thru her son Carl... became friends with Kathy and Karen...and have remained close friends with Kathy and Speedy for more than 50 years...I always saw Helen as a strong statuesque, rather commanding type of woman...Just one of those ladies that quietly demanded respect and usually received it. I can still see her running her credit department at Montgomery Wards...She actually got me approved for the first credit I ever had...I have a lot of good memories with Helen. Over the years Kathy and Speedy (the do-gooder couple) looked after Helen...They were always instrumental in making sure Helen always had a safe place to live and the necessities she needed to live a comfortable life. Right up to the end Kathy made herself available for Helen...Helen was very blessed to have Kathy and Speedy in her life...Im so glad I got to see Helen in December. Thankful that she still remembered me...Wish I would have taken a picture with her...REST IN PEACE MY DEAR FRIEND I'll always love you  
May GOD provide Kathy and Karen with happy memories of their mom...And I hope Dale and Carl we're waiting for her at the gates of heaven  
REST WELL MY FRIEND ❤️🙏❤️
