“ Growing up I remember being at the Waldo's house almost every weekend. If we weren't at their house they were at ours. Helen was like a second mom to me and all my siblings. We knew when the Waldo's were around there was always gonna be a good time. You are right Carrie, your mom was THE BEST cook. My fav was her, what I called, smashed potatoes!! I loved them and everything else she cooked. Your mom was a very special person and will be greatly missed by many. Although her passing was sudden it was a blessing. Gar, you have earned your spot in heaven. Much love to all.

“ I worked with Helen a number of years. She was a loyal, bright, efficient, and always happy and smiling contributor to whatever she was engaged in. Helen had a knack of making people happier, jobs easier and spirits brighter around her.

*Helen's bright light, and her loving heart will be greatly missed. She had an integrity and sense of decency and fairness that matched her intelligence, and a capacity to bring peace and comfort to all around her. Her good was as wide as her wonderful smile.*

*Heaven is an even richer and dearer place now, because Helen is there!*
