“ *Dear Carol, Rick and Becky...*

I'm so glad that I was able to spend a few days with you all recently sharing stories and remembering Sonny.

These pictures that you have shared show his genuine smile and how willing he was to spend time with those he cared about.

Sonny made a big impact in my life more so than you may ever realize. He gave me a lasting impression of how a man loves his family and works for what wants in this life.

He will leave behind a strong legacy that all of his family and friends can cherish.

From my family to yours we send our deepest love and condolences along with prayers for strength and peace during this time.

Sincerely...

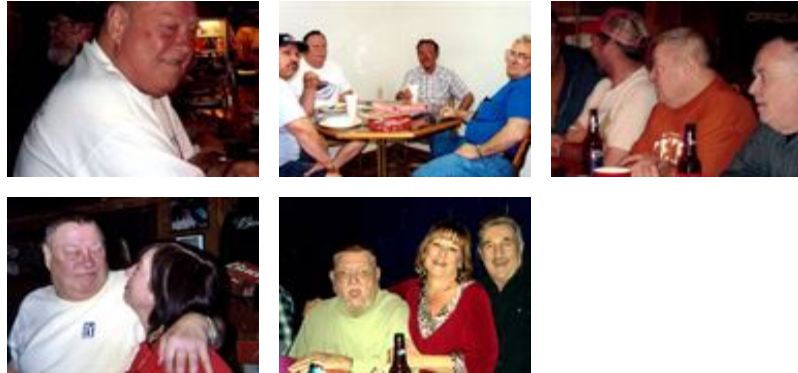

Scott
