“ *Your half sisters and brother we all send our condolences. Some of us knew Holly. Some of them didn't. I got met her once in San Francisco. We had such a fun time together for several days and we had never parted since then. Talking on the phone sending messages on Facebook and FaceTiming at the end. I'm glad that she's in no pain. I'm so sad she was way too young, too sweet, too beautiful... I could go on and it's just not fair!! Cancer sux!!!*

“ *Holly was blessed with her 3 sisters, her baby great neice, her little great nephew, 3 nephews and 2 neices of all whom she loved and they loved her. Little Juliette always put a smile on her face and laughter in her heart. My darling daughter who was loved by many, especially her grandmother who she made laugh all the time. Gone now, but will never be forgotten.*
