

## Homer R. Lewis

March 26, 1929 - March 23, 2024

Homer Rexford Lewis, age 94, of Shawnee, Kansas, peacefully passed away at his home on March 23, 2024. He was born on March 26, 1929, in Kansas City, Missouri. Homer's upbringing on the west side of Kansas City held a special place in his heart, and he often delighted in recounting stories from his childhood. Following his service in the Army, Homer met his beloved wife Eva Jean on a blind date, and they shared 65 years of cherished marriage. They are reunited once more, down by the river.

Known for his deep love for his family, unwavering faith in Jesus, and passion for storytelling, Homer always maintained a positive outlook on life. He possessed a great sense of humor and a true servant's heart, dedicating himself to caring for his family, particularly his son Danny, who had special needs. Homer found fulfillment in his forty-year career at Procter and Gamble, speaking fondly of his work and the friendships he cultivated there.

Among his most cherished years were those spent at Rosedale Tabernacle, where he served as Sunday school superintendent for several years. Homer's lifelong devotion to reading his Bible reflected his deep spiritual connection, and he truly knew the Shepherd.

Homer is survived by his daughter Pamela Wurtz (husband Larry) of De Soto, Kansas; his brother Johnie Lewis (wife Brenda) of Olathe, Kansas; 7

grandchildren; and 8 great-grandchildren. He was preceded in death by his wife Eva Jean Lewis, his son Danny Lewis, and his son Gregory Scott Lewis.

In lieu of flowers, the family suggests making a donation to Friends of JCDS, an organization Homer passionately supported, advocating for individuals with special needs. Your contribution in honor of Homer and the lasting legacy he leaves behind would be greatly appreciated. <https://friendsofjcds.org/>

“ *I worked with Homer at P&G. I think he had one of the best sense of humor I ever enjoyed. I can still hear him talking about someone being "King Kong" i learned so much from him, including a bit about the job. Our world is definitely a darker colder place without Homer.*

“ *I shared some years working with Homer at the north end of the P&G plant, also spent some enjoyable times at the golf courses after we had retired. Homer was a happy camper when P&G called him back to work as a contractor training, some rookie employees. R.I.P.*
