“ Dear Dolores and Family,
I am so sorry for your lost. Howard was a great Dad,Partner and Friend to all. I will always remember him pulling up every evening at 5:00 p.m. at Topsy;s and at times coming in get a ice cream cone and saying I am here to pick up my Bride. He had a gentle soul and kind words for all. I can remember when I would come to the house he have a new project going on. And if he ever disagree with his little women. He would laugh and say wait a minute and do his best to get in his words.And you can tell by his kids, that tells you what kind of man he is. His boys grew into great men and will carry on his gentle and caring ways. And his little girl she is great lady with great heart. So tomorrow when we put our beloved Howard to rest he will be with God and other family members. So that night and so forth when you look up at the stars one will be Howard and like always looking over us. Love and Peace to his Family Susan Lynn Hutchinson
