“ *Imo will always have a place in my heart. I met her when I moved into Elliott Place two years ago. We became instant friends. I really enjoyed playing cards, dominos and sequence with her. I loved her "museum-like" apartment. We sat and talked about similar family issues many times. It felt so good to have someone to share things with. She was a wonderful person. It has been a pleasure and a privilege to have known her. She will truly be missed.*
