“ Great grandma's house was one of my favorite places to go. Sitting in the back kitchen hearing stories. I love you. Ron Sandnes Jr

“ Irene, was my Grandmother, the mother of my dad Glenn R. Shipley, she would come to our house, and start honking her horn. Us girls would run as fast as we could possibly could, to see what she had found for us all. My mom and her would go out junking, trading flowers to each other, they were thick as thieves, my Grandma will be sorely missed. Grandma I well see you in the here after.

“ Growing up in sunny southern California, coming to Kansas for winter vacations. Seems like there was always 6 ft. of snow but Grandma's house was always warm. Going to miss you. Give Mom a big hug for us. Love, Ron
