“ *Irene Christopher who was a neighbor most of my young life (she baby sat me and my brother, Jack, many a day) and has always been there to answer questions and keep me informed about the neighborhood. She was always a sweet and caring woman, and I will miss her, but I know she will be going to a better place. My love goes out to all the family. Sincerely, Janice Knight*

“ *I cherish so many memories of good times with your mom. Growing up, I remember wonderful picnics and parades with your family, and I thought your mom was so beautiful. She was always excited to see me and made me feel special. Your mom was a very special lady and loved by everyone who knew her. Please know that I share in your grief and extend my deepest sympathy to you and your family.*
