“ Thank you Jack for the memories.....25 years was about 1/2 our life together. Thank you for loving me the way you did and thank you for the beautiful daughter. I always loved the relationship you two had and was a little jealous only because I wish I could of had that relationship with my dad when I was a young woman. You were always quick with a joke to bring me or anyone up from a gloomy day. I will miss you always! Forever in my heart and in my thoughts ~ Shine.
