“ Jack was the greatest man I ever worked with, we were partners in the jail. We both knew what the other was going to do and we had each other's backs. We were a team. He was like a father to me and I named my youngest son after him. I wish I could of been around to say good bye jack. U will be missed.

“ I worked with Jack at the Miami County Jail. I will always remember his big smile and kindness. I think of him often when I weigh inmates because he could stand at the door and guess their weight within five pounds! Sending thoughts and prayers to his family and friends
