“ I will miss Papa dearly. I didn't want him to go. I don't have very many memories of Papa but the ones I have usually were of us at the movies. That was our thing. Every time he came to visit or I came to visit we would go to the movies and plan out movies that we wanted to see during the previews. We never did get to see many of those movies. I really wish I had just so I could have spent more time with Papa. I regret not doing a whole lot with him. If I could have seen him before he left us then I completely would have. I'm always gonna miss Papa and I will never forget him. :)

“ So sorry to hear about Jack's passing. Jack was one of the nicest people I have ever met. He always had a smile for everyone. He was a ray of sunshine where ever he went. I first met Jack when he arrived at DFAS Indy and we were both working on the BRAC moves. I left for an opportunity to work with the Marine Corps TSO when it was moved here to Indy and lost touch with him but he is someone I will never forget. He made a lifelong impression on me as well as numerous others who had the blessing of knowing him.
