

James R. "Bobby" Carey Jr.

July 23, 1962 - March 27, 2023

James Robert "Bobby" Carey Jr., passed away unexpectedly on March 27, 2023, at AdventHealth Shawnee Mission. He was born on July 23, 1962, at Bethany Hospital in Kansas City, Kansas, to Jim and Betty Carey. Bobby married Tracy, the love of his life, on June 30, 1990. He started his career as a union journeyman roofer and later worked for facilities at Turner USD 202. Bobby was known for his selflessness and always being available to lend a helping hand. He approached every task with determination and dedication, and his hard work was evident in everything he did. He is survived by his sister Tina Carey, his wife of 32 years, Tracy; his daughter Samantha Ledford (Luke); his grandchildren, Martha, Elizabeth, Cheyenne, Mallory, and Everett; and many nieces, nephews, and dear friends.

“ James was simply a good guy. I enjoyed talking to him when we ran into each other at ASC. The conversations we had were never lengthy or about anything in particular. They were just those types of conversations you felt better about having with another person. I appreciated the pride he put into his work and his dedication to doing the best job he could each and every day. My thoughts and prayers are with Tracy, Samantha, his grandchildren and anyone else who is grieving his loss. Rest In Peace James.

“ I first met James when he was our night custodian at TSGA. He worked hard and was always friendly. When he transitioned to the ASC, we continued our friendly banter and he was always greeted me with a smile. One afternoon I was leaving ASC and he was in the parking lot, pulling weeds from a crack by hand. James truly took pride in his job and there was nothing he wouldn't do himself to make it a beautiful and comfortable place to work. You will be missed James. Thank you for everything you have done for our district and community. My thoughts are with you Tracy and family.

“ James took me under his wing and taught me how to wax and take care of the floors. I looked forward to every summer when we wax the floors together, always had laughs and a lot of fun. Gonna miss seeing James everytime I go to the board office and having a chat in his office. He was a great guy and the world is a little worse without him.

“ James always went that extra mile and enjoyed taking to him at the board office starting and ending my mail run. He always worked hard to do what was asked of him and did more then he was required. I had total respect for you and a great family man who loved his Grandbabies.I really gonna miss saying Good Morning and have a good day. It seems so unreal. You will be truely missed by many
