“ *My handsome sweetheart, I am so lost and confused, "why were you taken away?" You brought so much peace, joy and contentment to my life. You taught me what real true love is. I admired virtually everything about you, in my eyes you were perfect. I am left with deep sorrow. I know I must carry on in life without you, the thought scares me, devastates me and I now feel empty inside. I know you always hurt to see me sad, so I promise you to try my hardest to become happy again. You will be a beautiful memory each and everyday, I will love you forever, when its my time to leave this earth please be there to greet me and hold me once again. I Love You, Tina*
