Jim and I worked together at PBI for 13 years and was always a close friend. After my divorce I was penniless but Jim made sure that my boys didn't go without Christmas. Jim had a way of taking care of those around him and he will be greatly missed.

“ Jim and I were friends and worked together at PBI/Gordon 13 years. After my divorce I became a penniless father of two boys and that Christmas Jim gave me a bicycle to give to my oldest son when I couldn't afford Christmas at all. Jim had a way of taking care of the people around him and he will be greatly missed.

“ *Kim, I can't tell you how sorry I am. I had no idea things had gotten that bad. We have talked about Jim quite a bit, I am sure he was a wonderful man, he would have had to have been to have married such a great lady! Please know that you are in my prayers daily. Angie VanHercke*
