“ I thank you Uncle Jim for helping to raise us 5 Cole girls. You and Aunt Clarabelle opened your home to us without a second thought years ago. And though you never had children of your own you considered us your children

We grew up to understand your sense of humor and that 'heart of gold' quality you had even though you tried hard to hide it.

Now that you are with Aunt Clarabelle I sincerely hope you both are pleased with the respect and love we have shown you over the years.

Please let our mom and dad how very much we miss and love them.

We were blessed to have you in our lives and will remember you with smiles, a shake of the head and love always.

Rest now Uncle Jim...Suzie Cole Gresko (Niece)

“ I am Uncle Jim’s niece Donna. I think I was his favorite. He told me one time I was the daughter him and Aunt Clarabelle never had. They always made me feel so special ! I have been in their life since July 6, 1961. That is the day we moved in with him . We came from Calif. It was Mom ,Dad, 5 girls and our grandmother. My family was so appreciative of my time them for taking us in. We lived in the first house he built next door to the one he lived in before he passed. I will always go down this street. Just like I do when I miss my parents I take a drive to Olathe. After we moved into our own home Aunt Clarabelle would come and get me and my sister Terry on Fridays after she got off work . We spent every weekend with our Aunts & Uncles.

Uncle Jim I love you and will miss you dearly ! Rest In Peace my dear uncle and get to my sweet Aunt Clarabelle. I could go on and on but I’m afraid I’m going to get cut off. Love you to the moon and back Uncle Jim. I was there when my Aunt passed actually holding her hand and I was there when Uncle Jim took his last breathe. Love you always and forever,
Donna

*It is very sad knowing my Aunt Clarabelle and Uncle Jim have passed. My favorite memory of Uncle Jim was knowing he had that licorice sitting on that table in front of the couch I could eat as much as I wanted as long as there was 1 piece left for him.
Love you and I'll miss you, Judy (Cole) Gumbel*

“ *I always enjoyed my overnight visits with aunt Clarabelle and uncle Jim when I was a little girl. I used to hide in their pantry every time uncle Jim came home from the farm and he would always play my game though I hid in the same place every time. I remember trips out to the farm with him, helping him carry in firewood for the fireplace and trying his green onions. Thank you for the childhood memories uncle Jim. Love you and rest in peace. - love, your great niece, Angie*
