“ *Jim was like a father to me. He was truly a man among men. There are so many good times that I could write about. My first job ever was working for Jim at his gas station. Jim taught me how to hunt and fish. So many hours spent fishing. What I wouldnt give to have one more day fishing with Jim. Would have loved to hear that laugh one more time as well. I will miss you so much, Jim. You will always be in my heart and mind. I love you.*

“ So sorry to hear of Jim's passing. I remember him from high school. Janis, his wife was my cousin. Jim's care of Janis in her later years is legendary. I know he will be missed.

“ We are saddened to hear of James' passing. We are sorry for your loss. We road the school bus to BMHS daily with James. He was a really nice young man. We enjoyed seeing him at alumni banquets in later years and so admired his devotion to Janis. *Elsie and Ken Ray*
