“ You will be missed, Jane. Working with you for 10 years has brought back many wonderful memories. You shared with others that you would find dimes left for you by Marland, following his death. I will be expecting to find a few more dimes myself now. Quarters would be better. My friend, you will never be forgotten. I'll be seeing you later sweetie. Steve Schmidt

“ I am so sad to hear about Jane. What a wonderful and vibrant person she was to all who knew her. I so enjoyed working with her during the Harmon years. We shared many a laugh. My most favorite memories of her, however, is how she cared for others...students and adults. What a legacy she leaves for all to cherish.

I won't be able to attend the memorial but know my heart is with her family and friends. Blessing and much love for Jane is now watching over all of us in her special way.

“ *She was the best friend a person could have. I was so blessed to have had her in my life. She cooked my favorite foods, everyone's favorite foods!, was so generous and supportive in so many ways. We laughed and laughed and laughed together.. She loved her kids and grandkids, she loved her friends. She was really special. Everyone should have a Janie D in their life. My condolences to her children. Linda Eimer Fishell*
