“ I will always remember Janet's smile. She could light up a room with her smile. And her hugs were the best!!!

“ She had the most beautiful smile ever. She was also the most inspirational woman that made big impacts on almost everyone's life that crossed her path. It's such a blessing not seeing her in pain or suffering but my selfish side of me just wants to bring her back

I have such fond memories of Janet...summer visits to Kansas in my childhood, family reunions at the lake. She was always so sweet to me. I can still see that beautiful smile that captured everyone's heart. She will be missed by many. My thoughts and prayers are with you all. Love you.

Janet was my best friend for a lot of years. Then we both had families and kinda drifted apart. I will never forget the good times that we had and as everyone talks about, that smile. Janet, your family will meet you in HEAVEN someday. I thank GOD that you knew me when I came to the hospital. Rest in JESUS arms pretty lady. I love you.
