“ *Jan and I had loads of fun working with Turner Elementary School PTA and enjoyed quite a few years doing that when our children were young. We renewed that friendship when we both ended up working at Providence Medical Center. I moved away and we had been keeping in touch with fairly frequent e-mails. I treasure the memories and will miss my old friend! Danny and David: Please know that your Mom was tremendously proud of you and she was crazy about her grandson.*

With sincere sympathy~ ~ ~
