“ Jan was already working for the ATSF when I hired out in 1973. (I'm still working for about another month.) In all that time she never changed. A good person, a good co-worker, could be REALLY funny and most of all **TOTALY DEVOTED TO HER FAMILY**. We would talk on the phone occasionally after she retired. She will be missed.

“ I met Janice at the BNSF office in Kansas City, Kansas when I was transferred in 1986. We kept in contact throughout the years even after our retirements. When I went back to Emporia, my hometown, we always got together for breakfast or lunch when I was in Kansas City. I will miss our calls but she will always be in my heart. Rest In Peace, my friend.

“ *Jan was a friend for decades. We met when I was in kindergarten and she was in first grade. We grew up together and with her sister Becky (and the rest of her family) I have many wonderful memories from grade school, high school, ATSF, kids and grandkids. We stayed friends til the end. To her family and other friends, I am sorry for your loss, but I will always remember the good times. Rest in peace Jan.*
