“ *I was so very sorry to hear of Janis passing. Her mother and father were close friends with my parents so we grew up with Janis and her brothers. Every time I talked to Janis she amazed me with her memory. She knew the dates of my family members that have passed along with her family. She loved her friends and her brothers and their families. She could cook many dishes and even a full turkey dinner!!!! I will miss her happy disposition and her joyful advice. She always said not to be depressed about family members that died because we will see them again!! I think she told me that every time we talked. She always sighed her cards. Your friend, Janis A. Rogers , so I will say, you will be missed Janis!! Your friend, Connie M . Baker* ❤️❤️❤️❤️

I'm sad we are in OKC and I could not be with family and friends to celebrate your life. Lillichs, Gentrys and Tushes were together at SS and church, but also Turner schools. You did have a good disposition and many friends. You lived a good life. Oh my, I will remember how very much you loved getting cards, letters and pictures. You were in church at Armourdale Baptist all your life. I would take you to Guild every month. You might be gone, but never forgotten. I will always smile when I think of you and the funny things you did and said. I'll see you again, dear Janis. Your forever friend, Roxie J. Tush Byrne and family.
