“ *Jason made me laugh every time we hung out. We shared a lot of good times over the years and we helped each other through some rough times. I think of him as my brother. He bought my kids some of their first Dr. Seuss books and my daughter, Piper, really liked Jason. We all miss him so much. I'm honored to have known him. RIP, man, you will never be forgotten.*

“ Jason lived next door to me. My husband and I were truly blessed by having him as a neighbor. Many were the times that our dogs romped together and we'd stand and talk as Vixen and Chopper zoomed around. Jason was a cool guy. And he will be missed. Carole and Jamie White.

“ Jason you were truly one of a kind. You had a heart of gold and so much respect for your fellow man. Our time as co-workers at Service was short lived but yet, one of the best times of my life. I especially enjoyed our midday ice cream run. Rest in Peace My Friend. -Ross

“ *I have known Jason almost all my life. He was a straight up guy. He made everyone around him have a good time. I saw him the day he passed and I was feeling down, he talked me back into a positive attitude. Jason enhanced the lives of everyone he met. I am blessed to have had a friend like him.*
