“ Dub lived with our family while his dad was in the service. I'm four years older than he and we had great times as youngsters. His granddad was my step-dad and I saw a lot of him through the years. I loved him like a little brother and wish we had stayed close in our adulthood. I've thought of him often. His mom and dad were two of my favorite people too. I liked Randy too, but didn't know him very well. Great family!! My thoughts and prayers are with you at this time. I'm too old to make it to the memorial service. I don't drive places I'm unfamiliar with now.
