“ *I wouldn't know where to begin! We grew up in an era that has past us by. In our section of Highland crest the Magerl's front porch was the center of our universe and Jean was the matriarch! There were kids everywhere and everyone's parents looked out for everyone's children! No one had AC so we were always outside and formed a tight knit community were we all felt safe. Jim, Mary, Kathy, Geralyn, Joe and Marc we're so fortunate you shared your mom with all of us! She lived such great and loving long life that I was fortunate enough to be a part of! I'm sure John welcomed her home with loving arms! Much love to you all!*
