“ *I had the pleasure of sitting by Jeanne and Greg at church each Sunday morning and so looked forward to her loving smile and warm hug. She was always beautiful, inside and out. May the Lord truly bless Greg and her entire family as they go through this hard time. Our faith is in the Lord Jesus and we know we will see her again. Sincerely, Barbara Cochran Choate, First Baptist Church of Shawnee*

“ *Jeanne was always a very happy person who was a bright light whenever you saw her. She greeted you with a wonderful smile and you knew that she was sincerely glad to see you. She made you feel warm and welcomed. We will miss her but will see her again in Paradise with our Lord and Savior.*

“ *Jeanne was my sister's mother-in-law and a great one. I think of her as one of the most pleasant and friendly people I've ever known. She always had a smile and a warm greeting and was genuinely glad to see you. My condolences to Gregory, Craig, Mary, Meagan, Sarah, Justin, Nate, and to Susie and her family.*

*"Both Jeanne and Gregory were the type that once we became friends, always they were in your heart and mind. Even miles away, we felt a closeness with both of them and always we would smile at the precious times we had with them in Kansas. Jeanne made the best of all pies, and chocolate bars were their special way to share their love.*

*We will miss Jeannie so very much. and always her sweet smile and spirit will be with us.*

*Along with Gregory. we wait for the day we will be with her once again, That is a promise from Christ that we can count on because of our relationship with Christ Jesus.*

*We thank our God for both Jeannie and Gregory.*

*Until we meet again..... your friends*

*I've had the pleasure of sitting by Greg and Jeanne since the early 90's at church most every Sunday(1st Baptist of Shawnee). What an amazing lady and servant of Christ our saviour! Always enjoy greeting them and chatting with them as time allows. She will be missed by our church family and the many lives she's touched.... Douglas McDuff of KCK*
