“ Jeff, as I sit here one year after you left this world, I still have thoughts of you often. I think of you as kind, talented, artistic, happy, always busy with one project or another, and willing to lend a helping hand. Those were the good days! When they were good, they were good! You are missed ! Melody

“ *I am eternally grateful to have known Jeff. He was so loving and kind to me as the mother of Jerry Yockel. We knew him from the age of 16 and shared many memories of good times together. I remember a ski trip that I took Jeff, Jerry and my daughter Melissa on to Vail while they were in high school. The weather got very dicy with snow and ice and Jeff was the only one we trusted to drive us. He was such a kind soul. May he rest in peace!!!*

“ *I remember the time that Jeff came with us to Daytona Beach, Florida to attend the Pepsi 500 NASCAR race one summer. He was always fun to be around. Brad and Jeff always found ways to get into trouble!! They lived together for a while. That's how we ended up with the dog Bud. So sorry to hear of Jeff's death. He will always hold a special place in my heart.*
