Jeff:

I met you on your first day at DeBruce and introduced myself and welcome you to the company. I was only 15 and in high school. You were so kind and easy to talk to. Later as we became friends and did a couple craft shows together. I remember how talented you were with wood crafts. I also moved to Arizona and had I known you were there I would have found you and tried your restaurant. You were one of a kind and a wonderful soul. You will be so very missed. Go rest high. Until we meet again.
