“ I just need my brother back!!! 11 years is far too long, I want our goofy conversations, stupid disagreements, all of it. I have and will ALWAYS protect and defend your name while your gone. I'll always remain loyal to you bubba, nothing can ever take that away.

“ You were like a father figure to me. At least, when I was much much younger. I never forgot all of the fun memories we have. I know you weren't my biological dad but you were close to me when I was younger. -N.

“ Jeffrey was a very funny outgoing guy who lived his life the way he died at 100 miles an hour and to hell with the consequences. He loved life and his friends and he will be missed greatly.
