“ David & Dennis, I am very sorry that I was not able to come to your mothers funeral. I loved Jerry very much. Jerry was so much fun to be with. She was a happy person and so very kind to everyone. In her group of photos, the one with the car when she was young, I was with her that day and I believe it was the day we graduated. Jerry loved you two with all her heart and whenever I was around her I knew she would have some good things to tell me about you and also the grandchildren. I know I will see Jerry again some day in heaven and I know there will be lots of happiness there with her.

“ So sorry to hear of you losing your mom, and grandmother. Geri and I were once close, til she began being sick. I have missed our late night phone conversations. Her adopted stray cats were a lot of company to her. She was very proud of her little family. Proud of all their accomplishments big, or small. According to her, they were all huge.. She loved you all. Take care, and bless you all.
