*Jerome was of a somewhat mentor who never gave me any bad advice; Once upon a lifetime ago a 16 year old kid found himself dealing with things in places because of a mistake. He was the first person to talk to me, and then I met Jeff. But Jerome said he told you that when I showed up to look out for me. Im sorry you lost your friend and also to the family.He did talk about the importance of family and loved his especially much. I'lol see you again ,man.*

*Respectfully ,
