“ Oh Jerry... I miss you friend. I know we were coworkers for 4 years but you were my sanity most days. We laughed so much and I know we got on everyone's nerves lol we shared so much personal stuff and it felt like you were my brother from another mother. Love & Hugs from Hollie 💜

“ Jerry ... Bubba my little brother was the most caring, sweet, nonjudgmental, loving and intelligent man. I was blessed to have him as a brother he taught me so much and even though he was my little brother I looked up to him. I have so many memories because we've always been close and spent so much time together growing up. He would light up a room with just his presence. I miss and love you so much Bubba ❤️

“ To say my heart is broken would be an understatement. For 5 years Jerry and I would talk on the phone (through work) at least 3 times a week. A year ago when he told me he and Jeff were coming to Vermont, I was so excited to finally meet the man behind the voice. I had such fun finally hanging out with Jerry and Jeff. I will miss him dearly.

“ *Jeff and Katherine,*

I am so very sorry for your loss. Jerry was such a sweet, gentle and caring person. He was too young to leave this world, but maybe he and his dad can reconnect in heaven and watch over us. Jerry you will be missed, wish we could've spent more time together.

Love,

Mom (Judy Brooks Waddell)

He was so caring and sweet... my baby brother was amazing. I'm still in disbelief. My heart literally hurts. I wake up each day praying it was all a nightmare then the nightmare starts all over again. I miss him so much 😞😞 Thank you mom. Thank you for being a part of our life's and being a role model for us ❤️

“ Prayers for comfort in this incredibly difficult loss of a beloved son, brother, uncle, friend. The love a mother has for her child is greater than any love you can ever know. So greater is the loss of burying a beloved child. To Wanda and the family our thoughts and prayers are with you. - Kayla and Antonio Ardon

“ When I first met Jerry, was not allowed to have a relationship with his nieces. & nephews. After talking with Jerry, we decided it was time for him to be more involved in the kids' lives. Jerry was so happy he broke out in tears of happiness. Jerry & Jeff immediately started planning weekends of video games & snacks with the kids First started with the Boy's one weekend then the girls said Hey we want a girl's weekend, so the madness began. Everyone was very happy. The kid's started a really great relationship with Jerry & Jeff. These times were priceless. Love you Jerry, you will be missed. My favorite memory, Matty Rogers
