“ One of the many things we shared was our love of fishing. We would meet at Wyandotte County Lake and Pierson Park, just to mention a couple places. We would always catch fish. We never ran out of conversation and laughter. One of our fishing secrets was to use shrimp!! I will miss spending these times with him. However, I have enough memories to last a lifetime. My prayers go out to the Esparza family. I'm so sorry for your loss. Until we meet again, Your friend Cathy Peterson. I love you very much.

“ I remember all the fun we had growing up, the dancing in the basement, the walks to the grocery store to spend our quarters. Little Jesse was always following us around, he loved being with his sisters! Rest in peace Cousin, until we're all together again! Love Eva
