“ *In 1977 Jim Sherman became my Dad, I never knew how much I needed him in my life. He never referred to me as anything except his daughter, Dad was the smartest person I have ever known, we had such a bond over reading, music, movies, the list is long. Dad always encouraged me in any endeavor I tried, even when I failed he was always positive. He made such an impact on me, without him I would never be the person I have become. I love and miss you, till we meet again. Beth Ann*
