“ *Its been almost 7 years now Papa, & I still feel the loss of you like it was yesterday. Alot has happened & Ive changed from the 11 year old girl you knew, but I still carry the advice & wisdom you shared w me every step I've had to take without you & grandma. Nothing has been the same without you, but I know youre still w me, thank you for everything you did for us. I love you Papa, & I know youre gone, but you'll never be forgotten. You are forever in my heart.*

Sorry to hear about Jimmie. He was a classmate of mine when we were "kids" attending the Arcadia Grade School way back when. I had lost track of him through the years, but I still remember our good times when we were growing up. My Sympathy to the family. Helen (Cambers) Green

“ I don't remember the last conversation i had with you. Dont remember the last words, i just remember the night ended with a big hug and an i love you. Like every other time we say goodbye, i love you never failed. I never doubted how much you loved me. You were there for me whenever i needed you. You were here for all of us. We all miss you and love you so much grandpa. You were the rock of our family. You were the one person we could all run to and you were so wise and never judged. Nobody could ever replace you grandpa. I love you and i know your in a better place so all i have to do is pray and i know your there listening. You were a good man and anyone would be a fool to say otherwise. I miss you so much grandpa i just wish i could have said goodbye... Grandpa rest in peace. I miss you so much i didn't think i would be saying any of this as soon as i am. And i wish i wasn't. Its true you don't know what you have until you've lost it. I never thought i would loose you. I miss you and i love you and i can't wait till we meet again one day. RIP Great grandpa <3
Love your first great grand daughter..

“ *The world lost a wonderful man Sunday. It was also his birthday. I will never forget all the love he showed everyone. I know in my heart he's saying now "what are you crying for? Don't be sad...I'm home now" Yet still my heart aches to hug him once more and to hear his voice. He never lost his faith and was strong even in the hardest times. He touched a lot of peoples lives and he has forever made a mark on everyone he met. I love you Grandpa.*
