“ Jimmy will be so missed by so many! I will miss giving him a ride to work when the weather was cold and snowing. I loved how he would remind me of his birthday, and my family and I would sing *Happy Birthday* to him at work! Jimmy always had a smile that would brighten anyones day! You are now in the arms of the Angels, be at Peace my friend! You're in my prayers and heart forever! May God be with you on your journey home. Pam, Darryl, Ashley and James Fry

“ *Becky, I am so sorry for your loss. I have fond memories of our childhood when our families would get together. We kids would play while the grownups visited. I think of those days still. Please know you are in our thoughts and prayers. It will be difficult to get used to a world without Jimmy. Hang in there. The Goings Family (Wayne, Carol, Terry, Linda)*
