“ JoAnn was always JoAnn. You just never knew which JoAnn would be there from one minute to another. She could exhibit every emotion faster than you could say 'hello'. Inside she was the sweetest person you ever met. She always could wrap you around her finger so she could 'get the job done'. Growing up with her was fun and she really did help raise all of us who came along after her. Sometimes at "The Club" Mom and Dad would say "oh, she's just being JoAnn" and that was okay. We all loved her, we'll miss her and always have memories and silly stories to share with people who knew her and those who didn't. She would piss you off, but she was easy to forgive.

Love you, out of all of us kids you were absolutely without a doubt the most fun to ask about "What did she do now?" And Dad would rub his forehead and say "EEEEK". "

So she's with him now and I hope they are having a good time. Dad, JoAnn, Paula love you all. Sandie

“ Mom,
We have 49 years of memories together. I would never be able to write all the good memories in this space. It would be 1,000's of pages long. I'm going to miss how you would smile so big and give me a hug everytime I would stop by. And at least once during our visits to you would tell me that "You love me and Casey with all your heart."
I miss you so much. And I love you with all my heart.
Your loving son, Raymond

JoAnn was a great person and she has always been family. I have so many memories, But the one I remember the most is when Geri Bird was born....JoAnn told me that she looked at her and told James she wanted one just like her. Can you imagine having Geri for a sister? I love you boys and this is my phone # 816-885-9494 call me sometime. God Bless everyone who had the privilege to know her!
