“ I had the pleasure of working with Jodie for several years. There are not enough wonderful adjectives to describe Jodie. Kind, hard working, genuine, funny, dedicated, positive...the list goes on and on. Most of all, Jodie loved her family. She talked about the trips to the property, family dinners, all those mom football dinners when Blaine played in high school. Jodie's job was to help office furniture dealers across the country. What a fitting job for someone that loved to help others. So many have reached out talking about how much Jodie meant to them. She was always lifting folks spirits. She is missed by so many! While it is heartbreaking to those that know Jodie, I know heaven has an amazing angel. Sending thoughts, prayers, and hugs to the family.

I know Jodie was deeply loved by her entire family and many friends. Ever since Jodie was first diagnosed, Sandra would always say "Jodie never complains" or "Jodie always has such a positive attitude". Jodie brought many happy times to and with her family, friends and co-workers. I will continue to pray for peace for the family at this extremely sad time.

*Love,
Gail and Tobey*
