“ *It saddens me to hear of Joel's Passing.*

The last time we spoke he reminded me of all the fond and hysterical memories we shared growing up.

How we both became friends very young because our grandparents were neighbors.

How we both struggled double teaming a future NFL player from Miego.

How we both got into trouble by staying out to later after a concert.

He also reminded me to enjoy ourselves now, and the future.

Just like we did in our youth.

My prayers go out to his entire family. He will be missed.

“ *Dear Joe and Donna,
Our hearts go out in sympathy to you and the entire Harrity Family.
Our daughter is Joel's age and it seems much to soon to lose a child this age. Hold on to each other and know we care and feel your pain. Love, Paul and Roberta*

“ *I have many memories of Joel but my favorite has to be the way he would always smile that great big smile and give a great big genuine hug me no matter how long it had been since we had seen each other. It always made me feel special. We will cross paths again my friend.*
