“ *I was so sad to hear of the passing of Bob. My children went to Junction and I was a PTA mom there as well. Bob went out of his way to help in anything and everything we needed. I always used Bob's ethics when I thought of how people should be. He was always a joy. I'm very sad that the Turner Community no longer has him.*

“ Bob was a fellow Lion and a colleague. We worked in the same building for 15 years. Bob loved his job and he enjoyed talking and being part of the staff. He was very proud of being a Turner Lion and he worked on every project. He will be missed. Pat Pettey
